8.2.4 Reaching an overall risk-of-bias judgement for a result. The response options for an overall risk-of-bias judgement are the same as for individual domains. Table 8.2.b shows the approach to mapping risk-of-bias judgements within domains to an overall judgement for the outcome.. Judging a result to be at a particular level of risk of bias for an individual domain implies that the result ...

Transgender people have a gender identity or gender expression that differs from the sex that they were assigned at birth. Some transgender people who desire medical assistance to transition from one sex to another identify as transsexual. Transgender, often shortened as trans, is also an umbrella term; in addition to including people whose gender identity is the opposite of their
